June 2022

Jubilee celebrations

I hope that you all enjoyed the amazing celebrations that have taken place in the village over the past few weeks. A huge thank you to all the children who performed at the show on Saturday and to parents for supporting the event and the school. We were very excited to learn that the school won the "Royal Residency" competition and were presented with a beautiful trophy. Many thanks to the girls in sewing club and Mrs Scurrell for their hard work in making the beautiful bunting and to Mrs Davy for her incredible painting of the Queen. Thanks also to Mr Bone for his part in building the display too.

Staff Changes and new classes

We are sorry to be saying goodbye to our two newest teachers this term. Mr Brierley leaves us for the most exciting of opportunities – he is leaving to teach overseas- showing us all what it means to take a risk and try something exciting and new. We

wish him and his family an amazing time and hope that he will say in touch and share his experiences with us. We are also extremely sad to be saying goodbye to Mrs Brown. She has inspired so many children and staff with her passion for science and we hope that we can continue to build on her enthusiasm. Mrs Brown, leaves us to teach closer to her young family, again we wish her well and hope that she will be very happy in her new school.

We will be joined by Mr Miles who joins the year 3/4 team in September.

The teaching structure for next year is as follows

Nursery	Mrs Drackford
Aztecs	Mrs Cook
Celts	Mrs Fernandez
Egyptians	Miss Gleeson
Greeks	Mrs Brunning
Incas	Mr Gooding
Mayans	Mrs Howard/ Mrs Arnold
Normans	Mr Miles
Romans	Miss Cornell
Saxons	Mr Roper
Trojans	Mr Vaughan
Vikings	Miss Shipp

As always other staff may cover staff absence i.e. Planning time, mentor time and days off but the named teachers above are the key leads for each class.

You will receive an Arbor message in the next few days detailing your child's new class. As always please give children a chance to establish new friendships and find their feet in their new class. We are encouraging

resilience in school and we will support children to overcome any worries they may have about new classes through our work on character development.

The groups are allocated for a number of reasons, mostly to support learning and the development of supportive peer groups. We try to balance pupil needs and abilities as well as pair pupils with children that support them to learn. Please be patient with new groups and raise any concerns at the parents evening in September/October if you have concerns.

Parents of children moving to Reception in September will be given their key worker name and class after transition has begun.

IMPORTANT Reminder

Following direction from our Trust I am reminding you that our school day will be changing slightly from September. We will start as normal at 8:30am. **But the end of the day will be shortened slightly and will end at 3:15pm.**

Our Breakfast and after school club provisions will run from 7:45-8:30am and 3:15-6pm

Our Nursery sessions will run from 8.30-11.30am and 12:15 to 3:15pm

Sports Day

You will have received a letter from Mr Fisher with details of sports day on June 23rd. We are looking forward to welcoming parents back into school for sports day after a long absence. Please read his letter

carefully as there are lots of important details you will need.

Educational Visits

We have a number of events planned for the children over the next few weeks. I am aware that there is usually a cost involved for parents so if you are eligible for Pupil Premium Funding via free school meals then we can support you with these costs if you need assistance. Please contact the office in confidence if you require help.

Lost Property

We have a large amount of lost property in school – as items do not have names we are unable to return them. Please, please name all clothes, lunch boxes and bottles. Unclaimed items are on the playground at the end of the day to be searched through!

We will be offering all lost items of uniform free of charge to parents in the last week of term – at a time of spiralling costs we hope that you are able to make good use of these unwanted items.
