Ofsted Update

As I am sure you are all aware the school received a Section 8 inspection at the start of the month. We are now waiting for the report to come back so that we can share it with you. This will probably be at the start of the Autumn term now, due to the proximity of the inspection to the end of this year. The report will be in the form of a letter, which is the standard format for a section 8 inspection. As soon as we receive the letter we will share it with you all.

Reports

This week you will have received your child's school report. This year the Trust have trialed a new style report for years 1-6, which is written on our Learning Pi platform. The aim was that we would be able to share this with you electronically but last minute technical issues meant that things didn't come together as planned. This is why you have all received a paper version of the report and the format is not as in previous years. We are aware that the reports don't quite reflect the direction of the Trust vision and have already begun work on how this can be improved for next year. We are sorry that they don't yet meet the high standards we pride ourselves on – rest assured this will improve.

Staff nomination Letters

Earlier this half term I asked all staff to send me their nominations for a pupil that really stood out to them this year for any reason that was special to them. This included office staff, lunch time support staff, classroom support staff and teachers.

As a result I have had over 30 nominations.

Today I have sent out personalised letters to all of those families sharing with them the reasons why their child was nominated. Incredibly, there were a few children nominated by two staff but huge congratulations to Fletcher Green in year 6 for receiving 3 nominations from staff across the school. This is a very special achievement and deserves special recognition. Huge congratulations to all those who received letters.

Term Dates

Just a reminder that our last day at school is Wednesday 20th July.

Year 6 parents are invited to the leaver's assembly at 9am in the school hall. We will continue the tradition of a leavers arch for our incredible year 6 children at 3.15pm. Everyone is welcome and encouraged to join us.

We return to school on Monday 5th September when our new school day will be 8.30am – 3.15pm.

Enrichment Clubs

Just a reminder that there are a few places left in our clubs for next term. Do sign up soon so that the children don't miss out.

FORS

A huge thank you to the FORS committee for their hard work and successful family BBQ last Friday. I am reliably informed that the target has been reached this year and the new equipment has been ordered ready for September – Thank you all for your support of the school we will send pictures once the equipment is here!
