

Messages from Mrs Thomas

September 2022

Welcome to 2022-23

It has been a wonderful start to the term with all children settling into their routines very quickly. Year 3 children have told me they love being upstairs and I have already seen some fantastic art work and reflective RSHE work across KS2. Yesterday I was fortunate to be part of the archaeological dig with some of our year 4 children. The day was incredible, the activities were unique and really did provide our children with an opportunity to experience archaeology and history at their best. Huge thanks to Mrs Howard for her continued work with the project.

On a different note, you will hopefully have seen in the parish magazine that the new playground equipment has arrived thanks to your generosity and the fantastic support we have from FORS. I

will share the equipment in assembly on Monday and it will be out at lunch time from Monday onwards.

Reminder from local residents

Suffolk Drive residents would like the school to remind parents that Suffolk Drive is a private road and parking for school drop off and pick up is not permitted.

Please respect your local community and find alternative parking. Thank You.

Contacting staff

All school staff can be contacted by email. The protocol for communicating with us is as follows- To pass on information, ask a question about learning or class based activities, for concerns about attainment or progress, or to receive clarification regarding any incident in school contact your child's teacher.

For general admin enquiries contact the office.

admin@rendlesham.org

For enquiries relating to existing or pending SEND issues contact Mrs D Scurrrell.
dscurrell@rendlesham.org

If you do not feel that your concern has been resolved by the class teacher please contact Mrs K Cook.

kcook@rendlesham.org

(EYFS Lead, Parental liaison lead and Assistant Head)

If you still have unresolved issues after these avenues have been explored then

please contact me directly head@rendlesham.org.

All other staff have work email addresses in the format: first initial surname @ Rendlesham.org (there is no dot between the initial and surname). i.e jbloggs@rendlesham.org

Please note staff will only be able to respond to emails on their working days and during work hours. Please be mindful that staff cannot read emails while they are teaching. It is important that we work through the stages of communication in order please.

Sharing our learning

My aim this term is to share more of our learning with you. I am going to develop my own learning characteristics and work with technology to video and photograph children's learning during the week. This will then be shared on our school Face Book on a Friday. The aim is that you get to see classroom work on a regular basis and across all ages so that you can talk to your children about what they have been learning. I fully anticipate that I will improve my skills in this area over time, so please be patient with me while I show resilience and determination in making this work.

Class Newsletters

Will be sent out electronically next week, by teachers, to share more direct information about your child's learning this term.

WELCOME BACK TO SCHOOL
