

Nursery newsletter Autumn term 2

Welcome back after the break, we hope you all had a nice rest. We are looking forward to celebrating upcoming events such as Halloween, Bonfire night and Christmas. We are exploring the theme of 'conflict' and will be sharing the traditional fairy tales of The Three Little Pigs, Goldilocks and the Three Bears and Little Red Riding Hood. We will also be reading the 'Supertato' books to help us answer our question, 'Does good always win over bad'?

Footwear

In order to keep the Nursery carpet clean during the wetter weather, children will need to change into wellies before they use the Nursery garden. Please ensure they have a pair of **named** wellies to use each session. We do have space to store a pair should you wish to keep some wellies at Nursery. Children will be encouraged to change their own shoes so please help them by practising at home. It is a good idea to avoid shoes with laces unless your child can tie them independently. Children will also be required to remove their own shoes during our PE session and are encouraged to put their own socks and shoes on afterwards. Please avoid sending your child in tights on a PE day and remember to remove or cover any earrings. Long hair also needs to be tied back please.

Tapestry

Please let us know if you are unable to access your child's Tapestry account. Every form we had returned has been allocated an account so you can see your child's 'wow' moments in Nursery.

We still appreciate any observations from home – it's always nice to see the learning that occurs outside of Nursery.

How to help at home

It's coming up to cooler weather and children are expected to at least **try** and put on their own coats, wellies and shoes. We would appreciate your support to encourage your child to practice these skills at home as it means more time for playing in Nursery! Practice with fastening zips would be helpful too.

Children are washing their hands more frequently in Nursery to try and keep healthy, so lots of practice at home will be beneficial. You could talk about why we need to wash our hands too.

You could share some fairy tales together at home. Perhaps stop reading and see if your child can predict what happens next in the story?
